ORDER IN COUNCIL OF 7th MARCH, 1918.

The time of employment to be counted as residence duties must be subsequent to the actual date of entry in each case. No settler claiming the benefit of the provisions of the Order in Council of the 28th February, 1917, and of these regulations, shall be given credit in connection with his entry, by reason of his having been engaged in farming operations during the years 1917 and 1918, for more than two terms of residence of six months each, and any settler who is thus allowed the maximum credit in connection with his entry, shall be required to show, before his residence duties shall be deemed complete, that he has performed six months' actual residence either on the land held by him under entry, or in the vicinity thereof in accordance with the provisions of the Dominion Lands Act, and regulations thereunder.

The provisions of this Order shall not apply to unperfected proxy entries, nor to any case in which the entrant is engaged in any other employment than actual farm labour.

Within thirty days after the term of employment has expired and in any case, not later than the 1st of February, 1919, the entrant shall file with the local agent for the district sworn evidence satisfactory to the Minister of the Interior, of the time actually spent on farm work.

In the event of the cancellation of any entry for default in the performance of the conditions thereof, nothing in this Order shall be held to confer any right or claim upon the former holder of any such entry who, being engaged in farm labour in Canada as aforesaid, has failed, prior to the date of cancellation, to notify the Agent of Dominion Lands for the district of the fact of his being so engaged.

The entry of any person complying with the foregoing provisions shall not, during the period of his employment on farm labour, be liable to cancellation by reason of his failure to perform the cultivation required in connection with his entry.

Notwithstanding anything to the contrary in the Dominion Lands Act or any amendments thereto, the cultivation required to earn a patent where the entrant obtains the benefit of this regulation, may be performed in two years instead of three. Settlers claiming the benefit of the similar provisions with respect to cultivation, under the Order in Council of the 28th February, 1917, referred to, shall not be entitled to further reduction of the cultivation requirements in connection with their entries by reason of the provisions of this paragraph.

In any case in which the Minister of the Interior is not satisfied as to the *bona fides* of the case, he is authorized to withhold the benefits provided for by the foregoing.

Referring to your application for the privilege of taking up a soldier homestead, I beg to inform you that during the recent session of Parliament the Dominion Lands Act was passed granting these privileges, who had obtained patent, or who had been entitled thereto, on or before the 1st January, 1920, the right to secure a second homestead entry on the usual homesteading terms.

I may further inform you that [illegible] unpatented pre-emption or purchased [illegible] will not be permitted to abandon the same in his own favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

OTTA A - 14th April, 1924.

The Honourable Charles Stewart,
Minister of the Interior,
O t t a w a .

Sir,

Re Request for Transfer of Soldier Lands.

re: Charles A. Vogt, - Lloyd.
N.W.¼ 21-43-5, W.4th M. - 160 A.
Lloyd Settlement, Alta.

I am in receipt of your letter dated 12th instant from the Board's Chief Inspector of Settlement Improvements with regard to the application of Mr. Vogt for the transfer of the above described land to him, subject to such charges, patent to the Board from the Crown to be issued to the settler until the above charges have been fully discharged.

I have now in receipt of an application from Mr. Vogt, requesting that patent to his soldier's land mentioned should be issued in favour of the Board. Mr. Vogt states that he has completed his duties in connection with his soldier's land, and is now entitled to receive patent therefor here at his own cost and charge. This is confirmed by the letter from the Board's Chief Inspector to the settler dated the 4th instant, copies of which are attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, regulations were promulgated by the Board as per P.C. 1011 approved by His Excellency the Governor in Council on the 4th day of June, 1923 (P.C.1011) which enables the Minister, on completion of duties by the settler and on the request of the Board to vest the settler's right, title and interest in the unpatented land in the Board, the remaining in the Board until the settler's indebtedness to it has been paid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of the said Vogt in the S.E. of 21-43-5 W.4th M. be vested in the Soldier Settlement Board. The vesting order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Secretary.

To the Honourable Minister,

I have come to Saskatchewan to work but I cannot find work without an engagement for 6 months and I would not like to have trouble about my homestead which is found in Alberta, S. 26, Tp. 7?, Pr. 21, W. 5. Regarding improvements I have 50 acres which are to be to be seeded with wheat this spring and eight acres which will be broken in June and I have some buildings which are very habitable. The reason is because the crop failed last year and for my family it was truly difficult to remain there this spring. If I can work here without fear I will be very proud and encouraged by having some explanation. Hoping to hear favorably, I remain

Sir,

I beg to acknowledge the receipt of your statement of the 1st ultimo, asking in advance of the cancellation proceedings against the homestead entry, the S. E. ¼ of section 10, township 76, range 1, west of the 6th meridian.

In reply I may say that pursuant to the evidence submitted, it would appear that you have only resided two years out of six months residence each on that you have been absent since the 1st of December, 1917. Before your entry is in order to entitle you to patent, it will be necessary for you to reside upon the land for six months in each year, or in case of absence at any time, satisfactory evidence, in the form of a statutory declaration, must be furnished to this office, that you have proper residence on your homestead, and the reason for the non-fulfillment duties.

Should you fail to furnish the evidence within the time required, it may be found necessary to carry out cancellation proceedings without further notice.

Your obedient servant,

Assistant Secretary.

OTTAWA, 24th July, 1928.

Sir,-

S.W. ¼ Sec. 26 Tp. 78 Rge. 21 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting these settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

DOMINION LANDS

Dear Sir:-

Re S.E. 28- 43-6 W 4th.- E. Fox.

With reference to the above I beg to state that I have personally seen the improvements on said quarter. There are twenty five acres broken and cropped. I have paid the taxes for two years and they are now due again. I am quite willing to pay them again and finish the duties that should yet be put in, which is another six months. The quarter is practically fenced.

Mr. Peter son E. Fox has his homestead in his name but since his battalion went overseas I have not heard from him, but understand that he deserted.

I should be glad if you would advise me with regard to this parcel of land and if I might be given the privelege of finishing the duties as above mentioned. Please advise what steps should be taken in this connection.

Yours very truly,

Dear Sir:

In your letter of July 27th, your r[illegible] No. 734208, you asked whether my records show that a man named Sumner Sunderson obtained a homestead and became naturalized in Canada.

The S.E.¼ 11-47-17-4th and the N.E.¼ of this section were disposed of at a sale of school lands held at Camrose, Alberta, on May 19th, 1910. The persons who purchased the lands assigned them to a man named Sumner Sunderson who completed the payments and received the patents. Patent for the S.E.¼ was dated September 25th, 1919, and that for the N.E.¼, January 31st, 1927. Mr. Sunderson was not required to furnish proof of British nationality. His address was R. F. D. 1, Holden, Alberta.

Mr. Sumner Sunneson, 27 years of age, a native of Sweden, obtained homestead entry for the S.W.¼ 7-48-21 W 4th Meridian, on March 9th, 1914. His entry cancelled on June 2nd, 1915.

I do not appear to have record of any other man of this or similar name.

COMMISSIONER
JUL 19 1929
DOMINION LANDS

11th July, 19[illegible]

MEMORANDUM.

Mr. Perrin:

S.E.¼ 26-55-6-W.4th M.
Soldier Grant - Eric L. Arnott.
Obtained entry 9th June, 1919.
Soldier Loan.

In view of a request from the Soldier Settlement Board to be advised whether this man's application for patent has been received for consideration, the Commissioner's office has asked for a report.

On the 16th November, 1926, Mr. Weld of the Soldier Settlement Board, stated that the settler had submitted an application for the issuance of patent in the name of the Board contending that he had completed all the duties, and asked if the settler's contention was correct.

He was advised that application for patent had not been received here and the Agent was asked to report. He informed on the 3rd December, 1926, that the said application for patent had not been made. The Soldier Settlement Board was advised accordingly on the 15th December, 1926.

On the 18th December, 1926, the Soldier Settlement Board again asked for the standing of the application for patent and the matter was referred to the Agent of Dominion Lands at Edmonton. The Agent then referred to this office a copy of his communication of the 27th July, 1928, to Inspector McMullen requesting a careful report as to the manner in which the duties had been complied with under the stock clause of the regulations.

On the 15th January, 1929, the Agent reminded the Inspector.

On the 25th April last it was pointed out to the Agent that the Inspector's report had not yet been received.

On the 30th April last the Agent called upon the entrant to furnish an Abstract of Title covering his patented homestead.

Under date of the 30th April last the Agent forwarded the application for patent which was received here on the 6th May, 1929. It was dated the 18th June, 1927. It was

-accompanied

accompanied by a report from Inspector McKay to the effect that the entrant had performed sufficient residence; broke 8 acres and cropped 3 acres, value $100.00, and showed sufficient stock kept on the land for summer grazing. The Inspector only showed a mile and a half of fencing, value $80.00. He recommended that the application be accepted under the stock clause of the regulations.

On the 17th May last this office returned the application for patent and informed the Agent that it would be necessary for the entrant to complete the balance of the fencing, namely a half mile.

Apparently this application for patent has been unduly delayed by the Agent as it was completed over two years ago and has just recently been forwarded with the Inspector's report.

In view of the fact that the entrant broke 8 acres and cropped 3 acres in 1923, valued at $100.00, it would seem that the shortage of a half mile of fencing might be overlooked. There is nothing on file to show whether the Agent has advised the entrant that it will be necessary for him to complete this fencing as advised in this office communication of the 17th May last.

It appears to me the lands will have been farmed up with an adjoining quarter, providing us with all reasonable evidence I would be inclined to accept the application as sufficient. In view of the circumstances I recommend that an order be issued to procure a further report.

General Remarks Continued:—

interviewed the manager regarding the ability of Mr Lambert to pay. The bank manager had been handling the finances of Mr Lambert for several years but was not aware of this Lien. He stated there was no reason why a portion of the amount due should not be paid immediately and the balance in a short time, and that if I was unable to see him he would take the matter up with him and see that payment was made. I was able to see Mr Lambert and requested a settlement. He stated that he would not do anything until he had disposed of his grain amounting to 25,000 bushels of grain. I reminded him that he gave a similar excuse a year ago, and that a satisfactory settlement was required immediately.as his Bank Manager had stated that he was able to, if he would. We interviewed the Bank Manager together with the result that $40.00 was paid on account and a note given for the balance payable at ninety days. The Bank Manager gave me to understand that this note would be met and thus obviate the necessity of having teams to visit Mr Lambert.

I have your letter of the 19th ultimo enclosing one from the Manager of the Banque Canadienne Nationale, Calgary, Alta., in which it is promised that Lambert will pay the note when he ships his hogs about the 1st October.

I do not see that anything further can be done except that in the event of the note not being met as promised, you might advise the Manager of the Bank that in view of the statement made by him in March last to your inspector, the account will be carefully watched and it will be to Lambert's interest to arrange for a settlement if he wishes to avoid the cost of collection proceedings which the Department will be obliged to resort to if Lambert does not carry out his agreement.

MEMORANDUM:

Re: N.W.¼ 29-78-21-W.5th.

Referring to our conversation some time ago with respect to the patent covering the above described quarter section which was issued in favour of Octave Lambert, deceased, but which was being held by your Department, I am forwarding herewith Letters of Administration and a Transfer from the Administrator of the Estate in favour of the Soldier Settlement Board covering the said quarter section.

It would be appreciated if you would forward this transfer together with the patent and, if necessary, the Letters of Administration, to the District Registrar in order that the same may be duly registered.

Would you be good enough to advise me as to the action taken in this connection so that I may advise the District Office and have them obtain Duplicate Certificate of Title.

Soldier Grant - ?
Entry granted - 6th August, 1918.

Application to have patent for these lands vested in the Soldier Settlement Board under section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo. V. (Universe Case).

This entry has been reviewed by the security of the above land from the Soldier Settlement Board.

Amount:-
Purpose:- $1,350.70
For stock, implements and
agreement improvements.

In a memorandum hereunder dated the the settler remained in possession of the land till the Summer of 1919 when he notified the Board that it was his intention to abandon his farming enterprise. Every effort was made to encourage Mr. Dowdle to continue his farming effort, but he refused to do so as his wife had become discontented and had deserted him. The Board instituted adjustment proceedings and the settler's agreement was rescinded.

The land in question being "charged land" within the meaning of section 27 of the Soldier Settlement Act and the settler being in default with respect to the agreement made with the Board, it is requested that the right, title and interest of the settler in the above land be forfeited, and that same be vested in the Board. A Vesting Order for the Minister's signature is attached.

It is requested that the necessary action be taken to have patent for this land issued in the name of the Board.

J.J.Perkins obtained a Homestead entry for the above land on the 14th March, 1914.

He enlisted for military service on the 23rd September, 1915, and was returned to Canada on the 1st July, 1916, being discharged at Victoria, B.C., on the 24th May, 1916 as medically unfit.

Certificates have been received from the Department of Militia & Defence in support of the above claim for military service. The following certificate has been received:-

This condition was not cured at the time of discharge, nor has it been cured since. He has occasional haemorrhages and pain after eating and is unable to carry on at his occupation as a farmer. It is doubtful whether he will again be able to go on with his former employment or any laborious work. I think it would be risky for this man to be alone on his homestead if he has to work very much."

The case was submitted on the 22nd instant when it was recommended that the Department take a lenient view of this case in view of military service and decided that the case was deserving.

The

The Order-in-Council of the 6th May, 1915, provides that where an entrant who has seen military service overseas is unable to resume occupation of his homestead, he may be relieved from the performance of further cultivation of the homestead, or from residence thereon, or from both, as to the Minister may appear fair and reasonable; and where all further conditions of entry are so dispensed with the Minister may direct the immediate issue of letters patent for the homestead in favour of the homesteader."

It, therefore, appears that it would be in order to authorize the issue of letters patent for Mr. Forrest's homestead.

HOMESTEAD ENTRY.

What land available. All surveyed [illegible] except Indian Reserves, [illegible] Timber Limits, [illegible] Coal and Petroleum Lands in the Railway Belt in British Columbia, and Mineral and Timber Reserves [illegible] Mineral and Timber Reserves [illegible] Mineral and Timber Reserves [illegible]

of the present war, and has since continued to be a British subject or a subject of a country which is an ally of His Majesty's in the present war, or a subject of a neutral country, and unless he establishes the same to the satisfaction of the Minister of the Interior."

For further details as to restrictions of rights of subjects of enemy states, see under heading "Subjects of Enemy States."

Where Entry is made: Application for homestead entry may be made by a person eligible under the provisions of The Dominion Lands Act" and the Orders-in-Council respecting subjects of enemy states, either at the Land Agency for the district in which the land is situate, or at the office of a Sub-agent authorized to transact business in the district.

Entry Before Sub Agent: When application for homestead entry is made before a Sub-agent, such application must be transmitted to the Agent forthwith and has no force or effect until received by him.

Notice of the receipt of the application may be wired by the Sub-agent at the expense of the applicant, to the Agent, and in such case the application will be held until the land, if available, will be held until the application papers are received.

When a Sub-agent has received an application for entry for a quarter section he must not receive another application for the same quarter-section from any other person until the first application has been dealt with by the Agent.

Application for entry must be made by the applicant in person.

Entry by proxy: Application for homestead entry by proxy is permitted however, in the case of a person applying on behalf of husband, father, mother, son or daughter, brother or sister, who duly authorized to do so in the form prescribed. In such case the proxy must appear before the Land Agent for the district in person. Application for entry by proxy cannot be accepted by a Sub-agent.

The homesteader on whose behalf such an entry is made, must before the expiration of six months from the date of entry, appear personally before the Agent and Sub-agent and satisfy him by declaration or otherwise that he is already in residence on said land in such manner as to entitle him to patent, or that he will be in residence before the end of the six months. Should he fail to appear, the Agent must cancel the entry without notice at the end of six months from date of entry.

No extensions of time within which to commence residence duties are granted in connection with a proxy entry.

Second Homestead Entry: The privilege of entry for a second free homestead is restricted

by "The Dominion Lands Act" to those who completed the duties of their first homesteads to entitle them to patent on or before the 2nd June, 1889.

Entry obtained by Fraud: When, in the opinion of an Agent, an entry has been secured under an assumed name, by misrepresentation, personation, perjury, or fraud of any kind, it shall be his duty to report all available evidence and forward same to Ottawa.

If fraud is established to the satisfaction of the Department, the entry will be immediately cancelled, and at the discretion of the Minister the entrant will be given the privilege of improvements or to the right to make a homestead entry, or both.

A homestead is for the sole use and benefit of the entrant, and neither directly nor indirectly for the use or benefit of any other person or persons whomsoever, and any violation of this provision renders the entry liable to cancellation.

ASSIGNMENT PRIOR TO ISSUE OF PATENT ILLEGAL.

An assignment or transfer or mortgage of a homestead or a purchased homestead or any part thereof, or of a pre-emption or any part thereof, and any agreement to assign, transfer or mortgage a homestead, or transfer of purchased homestead, or any part thereof, or pre-emption or any part thereof, made or executed prior to the issue of the letters patent, shall be null and void, and the person so assigning, transferring or mortgaging, or making an agreement to assign or transfer or mortgage, or who has assigned, transferred or mortgaged his homestead, purchased homestead or pre-emption as the case may be, liable to cancellation. An exception is made in the case of an assignment of the homestead, preemption or purchased homestead of a deceased settler, or an assignment made to a railway company of land required for the right of way or station grounds.

See also under the heading "Trafficking in Dominion Lands."

LANDS VALUABLE FOR TIMBER.

Timber Land Defined: A quarter-section containing more than twenty acres of merchantable timber is held for entry. If entry is granted thereon it is liable to cancellation.

An applicant is required to make a statutory declaration that the quarter-section applied for does not contain more than twenty acres of "merchantable timber."

Merchantable timber means spruce, jackpine, or tamarack suitable for lumber, railway

If a quarter-section upon which there is not twenty-five acres of "merchantable timber" as above defined contains more than twenty-five acres of timber suitable for cordwood or fence poles, it is not open to entry unless such entry is granted on the condition that it will be subject to the issue of permits upon the remainder of the quarter-section after the homesteader has selected and defined, subject to approval, twenty-five acres for his own use.

Lands included in timber berths are not available for entry.

A person who has bona fide settled and made improvement on agricultural land before the survey thereof, and is at such time of and ordinarily resident on the land at the time of the survey shall, if he otherwise under the Act to make entry for a homestead or pre-emption homestead, if within the prescribed homestead tract, have a prior right to such entry for the land so settled on. The above provisions apply with necessary changes to the cases of deceased entrants for purchased homesteads and pre-emptions.

CANCELLATION PROCEEDINGS.

Note.—The Department cannot accept an application to cancel an entry except which is situated within the boundaries of a forest Reserve, or any other reserve of a general character.

Reasons for Cancellation: An entry is liable to cancellation—

a. If the residence or other conditions dates or other conditions are not being complied

b. If a homesteader is absent from the homestead for a period of over six months at any one time. For the protection of his own interests the entrant should keep the Local

Agent informed of any change in his postal address.

(c) If obtained or granted under an assumed name, or by error personation, misrepresentation, perjury, or other fraud.

(d) If the land is valuable because of merchantable timber upon it exceeding twenty-five acres in extent.

(e) If improvements upon the land have not been paid for or have been misrepresented.

(f) If an entrant executes an abandonment of his entry for a consideration or assigns or agrees to assign any right thereto prior to issue of patent.

(g) A reservation for a settler is liable to application for cancellation for non-fulfilment of the conditions, or if the same was obtained through error, misrepresentation, or fraud.

An application to cancel is not accepted in any case where the only default is in the payment of the interest or principal or where the only default is that patent has not been applied for within the required time.

Eligibility to cancel: An applicant for the cancellation of an entry is required to satisfy the Agent or Subagent that he is eligible to make entry under the provisions of the Dominion Lands Act. He is further required to submit satisfactory evidence that he was at the commencement of the present war and that he has since continued to be, a British subject or the subject of an allied or neutral country.

The rules laid down as to evidence of naturalization in connection with an application for entry will also apply in dealing with an application for cancellation of an entry.

Application to cancel an entry which is liable to cancellation may be made by a person eligible to enter for a homestead or by a minor who is at least seventeen years and six months of age, eligible to have a homestead reserved for him, and who files a declaration as to his eligibility.

Any person who is eligible to make entry for a purchased homestead may apply for the cancellation of an existing entry within the purchased homestead tract with a view to making entry for the land as a purchased homestead.

In a pre-emption township, application for cancellation of an entry may be made by the homesteader of an adjoining quarter-section, provided he is eligible to enter for the same as a pre-emption.

Before an application to cancel is accepted from a woman claiming to be the head of a family, her eligibility to make an entry must first be established.

Notice to the applicant must be sent by mail, and the Agent is not required to notify any other person in any other way.

Cases of this kind are to be referred to Head Office for decision.

Payments which have been made by the entrant who abandons are to be credited to the relative who reenters. If the relative desires to reenter for the land as a timber homestead, he will only be permitted to reenter on the condition that he **make the remainder of the payments** as provided under the original entry, if he reenters for it as a pre-emption or purchased homestead. The return of the payments are to be made in accordance with the new entry.

I beg to acknowledge the receipt of your letter of the [illegible]th ultimo, on behalf of the widow of the late James Patterson in respect to an entry which was obtained for the above land, and might advise you that a Homestead Inspector valued the improvements at $45.00 as consisting of a log stable 18X18, $25.00 and posts around two quarter-section, $20.00, and it will apparently be necessary for Mrs. Patterson to pay the Inspector's valuation of these improvements as that is the usual practice of the Department.

The question of deciding whether Mrs. Patterson is to be confirmed in her entry is being considered and as soon as the Department is in a position to decide, Mrs. Patterson will be advised.

Oct. 25th 1918

Sir:- Re. Mrs Erma K. Patterson S.E. 15-83-24-5

I take the liberty of addressing you in behalf of the above named, widow of the late James Patterson, killed in action overseas.

This lady on May 30th, 1918, cancelled the S.E. 15-83-24-5 the former entry being a German who had not fulfilled his duties; Mrs Patterson was allowed to enter on Aug. 17th and paid $10.00 on the improvements said to be on the place; she made contracts for plowing, after work had proceed on the place, she received notice not to take possession, and again under date of Oct. 21st notice is sent by the local agent of Dominion Lands that the improvements value at $45.00 and giving her thirty days in which to remit the balance viz. $35.00.

The improvements on the place at the time Mrs Patterson took possession are about as follows:- 20 or 25 acres of 3 year old breaking that had gone back to wild land, a dry well, between five and six hundred feet of culled lumber, one log stable 20 x 20 with pole and soil roof. Some fencing of tamarac posts and slabs to the extent of two loads at original cost of $2.00 per load.

The breaking that had reverted back to wild land was in such bad shape that the party who had contracted for the plowing refused to continue at the price agreed upon. From a fair and impartial valuation, the total improvements are not in excess of $25.00.

This lady Mrs Patterson, is making a brave and energetic struggle to get along and assist others since the loss of her husband. I would respectfully ask your earnest and favourable consideration in this matter, and that Mrs Patterson be given immediate and peaceable possession of the homestead at the reasonable valuation not to exceed $25.00.

I have the honour to be, sir,
Your obedient servant,
Geo. E. MacLeod.

Dear Sir,

I have yours of the 15th instant enclosing a copy of a letter from George F. MacLeod of Peace River, on behalf of Mrs. Erma K. Paterson, who holds Soldier Grant entry for the South East ¼ of 15-83-23-W. 5th Meridian. The Agent at Peace River was notified on the 20th instant to confirm the entry granted to Mrs. Paterson for this land.

The only remaining point is the valuation of the improvements. Our Inspector visited the land on the 9th of October last and reported that there was a log stable, 18 X 18, valued at $25.00, and that posts had been placed for a fence, value $20.00, total $45.00.

As Mr. MacLeod protests and claims the improvements are not worth more than $25.00 we will ask the Agent to have a fresh valuation made and advise you of the result.

Yours sincerely,

With reference to the soldier grant entry of Mrs. Erma K. Mrs. Pateron has protested against the Homestead Inspector's valuation, stating that these improvements are not worth more than $25.00. Under the circumstances, I am to request you to detail a Homestead Inspector to again visit this quarter-section and make a fresh valuation of the improvements.

Kindly issue the necessary instructions and have this report furnished with as little delay as possible.

Dear Sir:-

In April 1914 Mr. T. F. Billett, of Winnipeg, arranged to purchase from Leo L. Leet, whose office was then in the Merchants Bank Building, Montreal, P. Q., 160 acres of scrip issued in connection with the Red River Rebellion. The scrip was sent from Montreal to the Merchants Bank, Winnipeg, attached to a draft. When the scrip reached Winnipeg, Mr. Billett arranged with the Bank to forward it to the Department of the Interior, Ottawa, to ascertain if the scrip and the assignment thereof were in order. The Department of the Interior reported to the Bank that they were in order, and Mr. Billett about the 20th of April, 1914 paid the draft and took delivery of the scrip.

Shortly afterwards Mr. Billett sold the scrip to Charles L. Quig, of Edmonton, Alberta, and was paid partly in cash and partly by the assignment of an agreement for sale owned by Mr. Quig.

Mr. Billett has been notified by Messrs. Cormack,

Mackie & Van Allen, Solicitors for Mr. Quig, that you have claimed through Chief of Police Hill, of Edmonton, that the scrip in question had been obtained by fraud, and that they demanded from Mr. Billett the return of the purchase price of the scrip. Mr. Quig has also filed a caveat against the property contained in the agreement for sale which was assigned by him to Mr. Billett as part of the purchase price of the scrip. The result is that Mr. Billett is unable to collect the moneys owing under this agreement which has been assigned to him.

Mr. Billett made every reasonable investigation as to the scrip at the time of its purchase and had absolutely no knowledge that anything was wrong in connection with the scrip until last month when he received the above notice from the Agents in Winnipeg of Messrs. Cormack, Mackie and Van Allen.

Mr. Billett had bought scrips from Mr. Leet before buying this one and had had no trouble whatever in connection with any of them.

We would ask you to look into this matter and to notify Chief of Police Hill to withdraw his claim in regard to it and to allow Mr. Quig to use the scrip if he has not already done so. Your doing so would enable Mr. Billett to ask Mr. Quig to withdraw his caveat and would further enable Mr. Billett to collect the balance of the moneys owing to him in respect of the purchase of the scrip.

At the time of the purchase of the scrip, Mr.

Billett expected to make a small profit, but, owing to the fact that the purchasers under the agreement of sale assigned to him are unwilling to pay in full for the property, he will be a loser in any event.

Yours truly,

MEMORANDUM: Military Bounty Land Warrant No.3057
Frederick Melver.

This warrant which was issued many years ago to Frederick Melver, in connection with his services in the Red River Expedition of 1870, was forwarded on the 16th February 1914, to Frederick Melver, c/o A. Langevin, Esq., C.B., River Mail Man, Montreal, who had applied therefor upon affidavit evidence as to identity with that of the Frederick Melver to whom the warrant was issued.

The affidavit for the warrant and the evidence in support thereof, as submitted at the time, referred to the Hon. Attorney General, who reported that he was of the opinion that the claim should be allowed, but that it must be proved that the declarants, William H. Love, John Hogan and Thomas Donovan were telling the truth in proving Mr. Melver's identity.

Subsequently the question of the validity of the warrant, was with others, investigated by The Chief Commissioner of Police in a report, received in November 1916, it would appear that the evidence upon which the warrant was delivered was fraudulent although the Chief Commissioner of Police was not satisfied that guilty knowledge could be brought home to Mr. Langevin, the promoter of many of these claims but was satisfied in his own mind that he was not innocent in the matter.

The warrant has not been located by Mr. Langevin and is now in possession of Messrs. Cormack, Carthe and Van Allen, Barristers

F. H. Cory, Esq., C.M.G.,
Deputy Minister of the Interior.

barristers for their client, T.L. Quig of Emerton, who it is claimed purchased it from Messrs. T. P. Tillett and Company of Winnipeg, who allegedly purchased from Mr. Lee L. Lent of Montreal. Messrs. Richards, Swartman, Kemp and Fillmore, barristers are the solicitors in the matter on behalf of Mr. Tillett, from whom the return of the purchase money has been demanded by Mr. Quig as the warrant was obtained by fraud.

According to Mr. [illegible] the papers were [illegible] the Chief Magistrate of Justice for Manitoba and Mr. Newcombe advised that Messrs. Swartman, Mackie and Van Allen be requested to [illegible] the warrant and advised that it will be available at any time they may require it for Court proceedings.

I have [illegible] that the allegations in the warrant, if true, [illegible] offences known to the criminal law and have therefore [illegible] to be criminally responsible for [illegible] and I would [illegible] that for the warrant was obtained by false pretences, if at the time [illegible] obtained by fraud. Mr. Newcombe is of the opinion that it would be in the interests of justice if [illegible] if this could be done.

In view of the [illegible] and [illegible] of the Attorney General's Department [illegible] interested in this case Mr. Lee L. Lent, [illegible] of the Province of Montreal, Mr. T. P. Tillett of Winnipeg, Mr. Charles L. Quig of Emerton and their solicitors, Messrs. Swartman, Mackie and Van Allen of Emerton and Messrs. Richards, Swartman, Kemp & Fillmore of Winnipeg, I think very serious consideration should be given the matter before it is decided to

[illegible]

institute criminal proceedings.

With reference to the statement in Messrs. Richards, Cwertman, Kemp & Fillmore's letter of the 27th ultimo, that it was arranged to forward the bond to the Department of the Interior at Ottawa to ascertain if the bond and assignment were in order and that the Department reported to the bank that they were in order, I beg to state that possibly the warrant was committed to the Department for inspection by the Receiver before the 17th April, 1914, from the manager of the letter dated the 17th April, 1914, from the manager of the [illegible] at Melville to the effect that there were [illegible] against [illegible] would be completed.

At that date, 17th April 1914, the information was correct, as if the warrant and assignment [illegible] Department at Ottawa, the assignment would [illegible] but the warrant was not done. It was not until [illegible] after that the Department learned that the warrant had been [illegible] obtained.

In any event, as the draft [illegible] Receiver [illegible] the assignment [illegible] the warrant [illegible] as a bond [illegible] with [illegible] officially [illegible],

Referring to your letter of the 28th ultimo, I beg to return the assignment in blank which was forwarded to the Department for inspection and to state that such assignment, even if it were completed by having the name, occupation and residence of the assignee inserted therein, could not be accepted by the Department as it has not been sealed, and it is necessary that such documents be sealed before they can be accepted by the Department.

If the assignment properly completed and sealed were returned to the Department for registration at the present time accompanied by Military Bounty Land Warrant No. 6857 to which it refers, it would be accepted and registered, but it cannot be asserted definitely that it will be accepted by the Department at any time in the future.

If therefore the Warrant is forwarded to the Department accompanied by an assignment, satisfactory to the Department at the date it is filed for registration, it will be accepted and registered and the Warrant, duly endorsed in accordance therewith will be returned after which it may be located by the assignee in the ordinary way. The assignment, however, must be sealed.
